So much more than an

EVENT SPACE

With spectacular urban panoramas, the rooftop structure with landscaped gardens offers uninterrupted views over the Melbourne City skyline.

For every style of
CELEBRATION

Imagine your event beneath the Melbourne skyline, with incredible views of the city and the Yarra River framed by rooftop gardens. Crown Aviary, designed and built in partnership with Dann Event Hire, offers a breathtaking one-of-a-kind rooftop experience like no other, right in the heart of Melbourne, boasting:

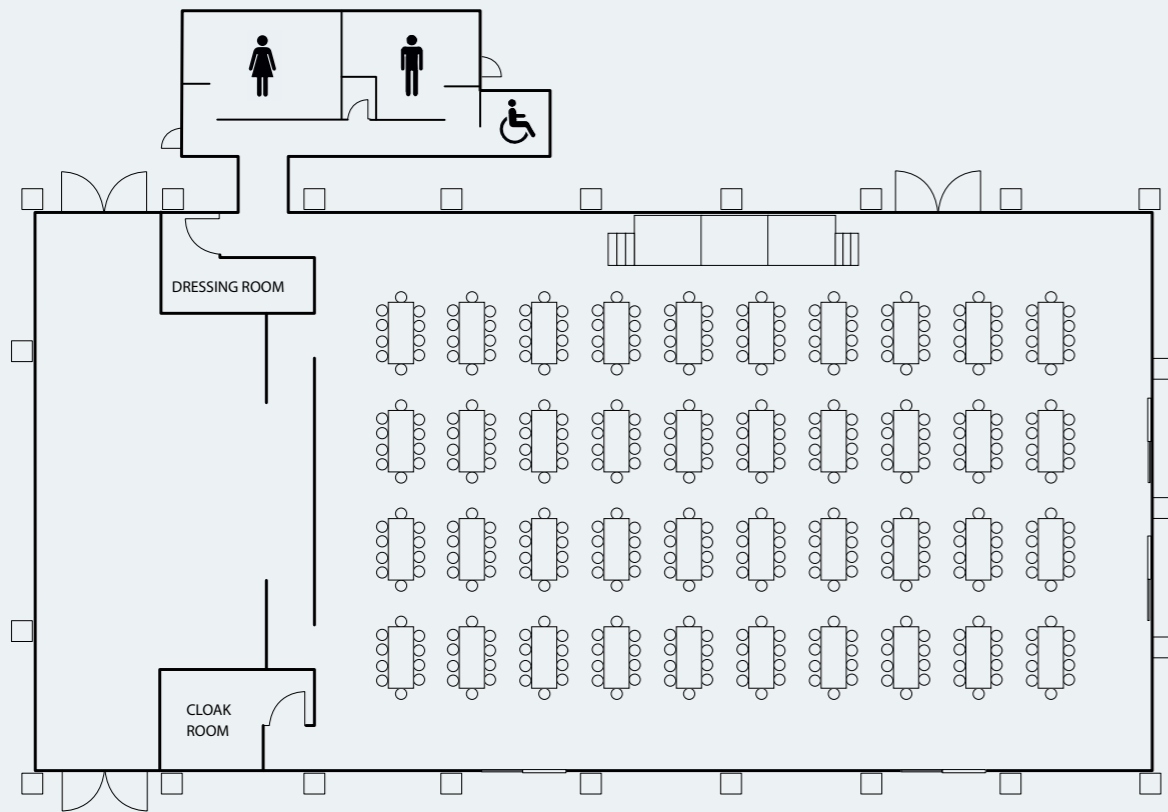

- Breathtaking views
 - Landscaped outdoor space including lawn and decking areas
 - Crown's world-class catering and service
 - State-of-the-art lighting and sound by Encore Event Technologies
 - Permanent custom-built bathroom facilities
 - Dressing room and cloak room
 - Heating and air-conditioning
- 20m x 30m of enclosed event space
 - 50 metres of glass walls

An event experience like
NO OTHER

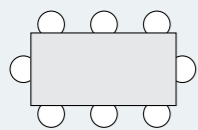

Located on Level 3 of the iconic Crown Towers Hotel, the space is suitable for up to 550 people in a cocktail setting, or up to 400 for a seated banquet, and comes complete with Crown's exemplary service

and impeccable food and beverage options. Our event specialists can create a custom package to ensure your event is both memorable and successful.

An array of
**CULINARY
DELIGHTS**

At Crown, we pride ourselves on the quality of our produce and the creativity of our cuisine.

Your event at Crown Aviary will be complemented by a delicious menu, curated by you and catering to all tastes, preferences and requirements. Our menus are designed by award-winning Chef, Kelly Jackson and his team.

Make it

YOUR OWN

Audio & Visual Technology

Crown Aviary is a space where you can create a truly unique and remarkable event. An event customised by you down to the most intricate detail. Afterall, it's the little things that make an event stand out.

Award-winning **Encore Event Technologies** is the largest provider of audio-visual and event staging solutions in Melbourne. Their innovative technology has been transforming event spaces into extraordinary experiences for over 30 years.

Offering the most progressive solutions, Encore Event Technologies provides the latest new event technology including gesture control, holographics, kinetic lighting and more.

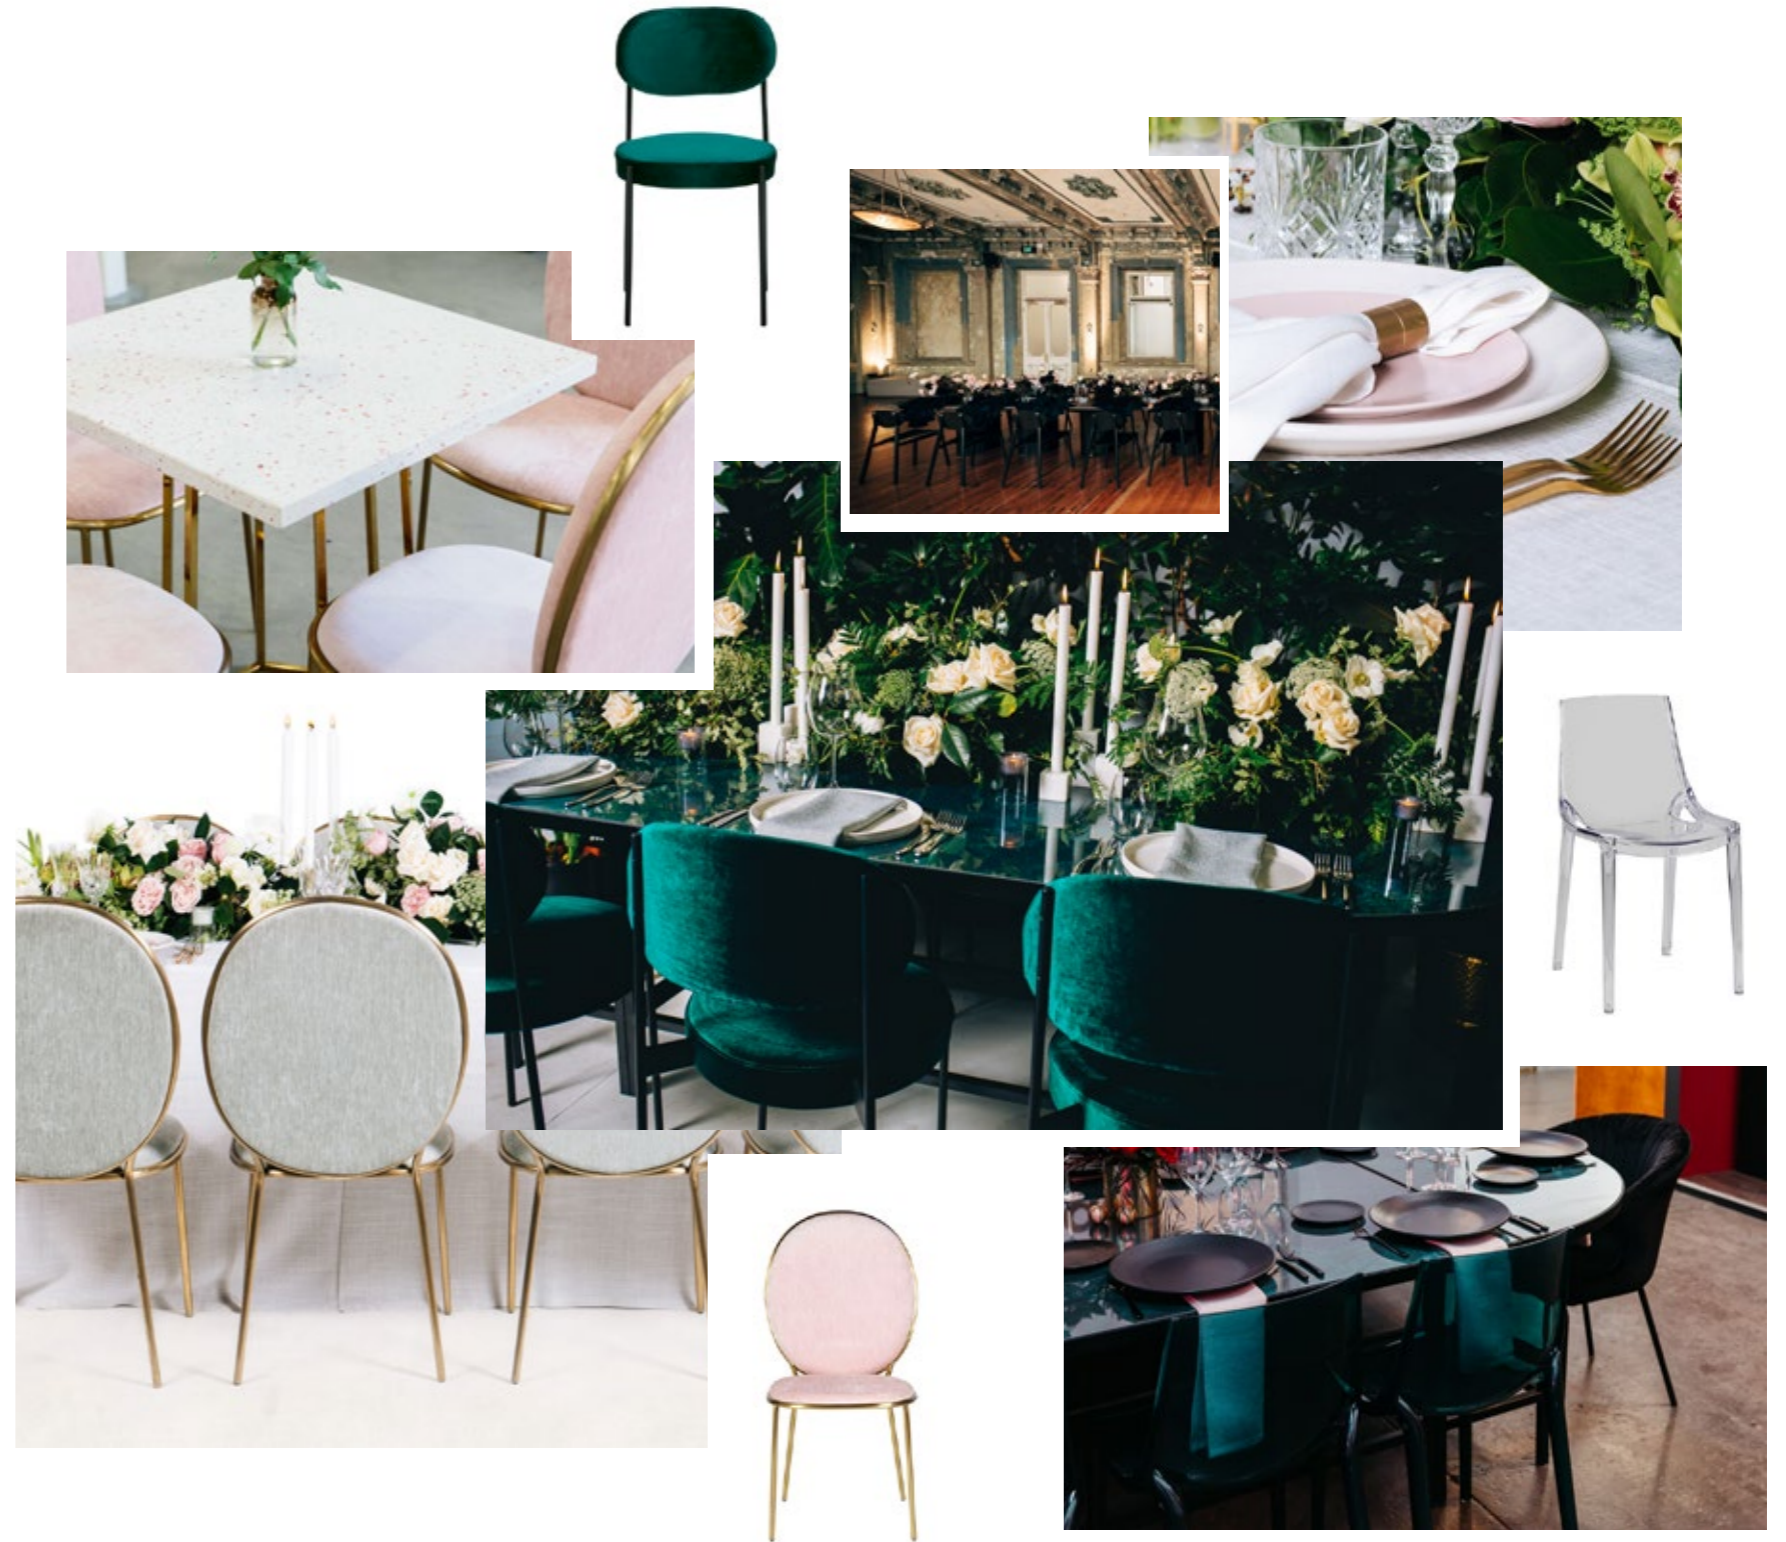

In a space like Crown Aviary, Encore Technologies can create something truly remarkable for your event.

Create the
UNIMAGINED
Furniture Packages

Crown Aviary has partnered with **Dann Event Hire** to offer you the best styling and furnishing options to create an event space that's individually yours. Driven to push boundaries, Dann Event Hire creates the unimagined for their clients.

Privately owned and established for more than 20 years, the company's essence centres around creative collaborative design with cutting edge furniture, contemporary furnishings, feature lighting and quality hospitality equipment.

In consultation with Dann Event Hire we will create a unique and beautiful event space reflecting your taste and style featuring the exciting, contemporary pieces Dann Event Hire is synonymous with.
